

## LSA Circular 06/26

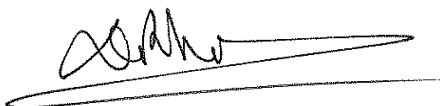

**20 April 2026**

Dear Practitioner,

### Cessation of migration of old (pre-LAMS) cases into LAMS

1. Further to [LSA Circular 07-25](#) and reminders issued in subsequent Key Messages the Agency can advise that:
  - a) The final migration of pre-LAMS cases into LAMS was completed in March 2026.
  - b) No further migration of cases will take place.
  - c) Any pre-LAMS records held by the Agency but not migrated are now deemed closed and will be disposed of in line with the DoJ Retention and Disposal policy.
2. Thank you for reviewing the cases associated with your business to confirm that all 'live' records are available to be worked on in LAMS.

Yours faithfully,

**Paul Andrews**
