FOI compliance: a hands-on guide

- ▶ A practical white paper from our partners

The Freedom of Information Act ("the Act") was introduced across most of the UK in 2000—and in Scotland in 2002—to allow public right of access to information held by public authorities. [This whitepaper by HPE](#) focuses on how, 15 years since its passage, the law poses challenges to local authorities and NHS trusts.

Boundless is the new name for
