REFERENCE: FOI\22\12

Dear Sir,

Thank you for your request dated 17 February 2022 and detailed below:

Can you please advise me of the overall cost of conducting each of the PONI investigations - Boston, Sutton, Greenwich and Achille.

The Department does not hold the information you have requested. This is due to the fact that whilst the Department is responsible for oversight of the Office of the Police Ombudsman (OPONI) including its overall budget, operational matters including specific investigations are the responsibility of OPONI itself. We are however aware that OPONI have already responded directly to you to advise that they do not record details of costs associated with individual investigations

If you are unhappy with the result of your request for information you may request an internal review within two calendar months of the date of this letter. If you request an internal review please do so in writing stating the reasons to the address above.

If following an internal review you were to remain dissatisfied you may make a complaint to the Information Commissioner and ask the Commissioner to investigate whether the DOJ has complied with the terms of the FOIA. You can write to the Information Commissioner at:

Information Commissioner

Water Lane
Wilmslow

Further details on the role of the Information Commissioner can be found at:

Yours sincerely

DoJ Records & Information Manager
