

LSA Circular 22/19

1 October 2019

Dear Practitioner,

Notification of Industrial Action on 3 October 2019

This Circular is to advise practitioners that on 3 October 2019, like other public sector bodies, the LSA will be able to offer very limited services due to industrial action.

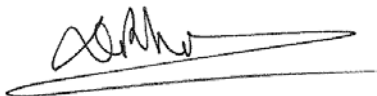

On Thursday 3 October 2019 the LSA will have very limited capacity and as such will have to prioritise the services which it can offer. The LSA will focus on processing Emergency Applications for Representation Higher and Lower Courts.

If you need to make an Emergency Application please continue to use LAMS as appropriate.

All other business will be progressed subject to the capacity which is available.

The LSA regrets any inconvenience which may be caused to practitioners but will seek to deal with all time-critical applications.

Yours faithfully,

Paul Andrews
Chief Executive
