KEY OUTCOME	PRIORITY ACTIVITIES	ACTIONS	LEAD	KEY PARTNERS	TIME FRAME	STATUS
2. Positive outcomes for children, families, victims and communities affected by offending	To simplify and streamline the current provision of community orders	2.1 Introduce a new flexible order to replace the existing 7 community orders based on current evidence and best practice.	DOJ	YJA, PSNI, PBNI, PPS, NICTS, OLCJ	LT	Ongoing
		2.2 Develop an action plan to improve the experiences of pilot for child-friendly youth court hearings for children and their families, informed by problem solving and trauma informed approaches, and the views of stakeholders here and in other jurisdictions.	DOJ	YJA, PPS, PBNI, NICTS, PSNI, OLCJ	MT	Ongoing
	2.3. Develop and deliver an Enhanced Case Management framework for children who pose a high risk of significant harm and/or who have complex needs. (complete)	YJA	PSNI, PPS, NICTS, OLCJ, Social Services	ST	Complete*	
	To deliver enhanced engagement and support for the most complex cases	2.4. Develop a rolling programme of service developments that improve supports for children who have offended and help reduce reoffending. In the short-term, this will focus on:				
		i. Rolling out the YJA-HSC joint CAMHS service across NI to provide effective access to mental health support services for children in the justice system (subject to budget availability);	YJA	HSCB, DE, EA, DfC, DfE, VCS, Employers	MT	Ongoing
		ii. Improving employability among 16 and 17 year olds in the justice system by developing a wider set of partnerships and improving connections to existing services (complete); and			ST	Complete*
To develop and deliver Model of Practice work streams for continuous service improvement	iii. Improving support for the families of children in the justice system both through direct delivery by YJA and improving referral pathways to services already funded by Health, Education and others (complete). 4. Working in partnership to deliver wider systemic change to improve the lives of children	To deliver a streamlined youth justice legislative framework which is simpler and more easily understood	4.5 Develop a new Children’s Justice Bill which will consolidate and simplify criminal justice legislation relating to children and modernise the delivery of youth justice in Northern Ireland. This action is now closed as there is no scope in the mandate for a dedicated Children’s Bill. Many of the anticipated provisions will instead be taken forward in other primary legislation planned for this mandate, including the Modernisation of Justice Bill.	DOJ	YJA, PSNI , PBNI	LT	Closed
		4.6 Develop further understanding of the factors contributing to over-representation of certain groups in the youth justice system and work with partners to develop actions to address the issues identified.	YJA	DOJ, PSNI, Social Services	MT	Ongoing
	To improve transitions for young people	4.7 Further develop partnerships with DfC and Trusts to find additional ways to prevent homelessness amongst young people (16-18 years) who offend.	YJA	Social Services, DfC, NIHE, PBNI, VCS	Ongoing	Ongoing
		4.8 Working with SBNI, develop the Youth Justice Agency as a trauma-informed organisation and share good practice with Justice partners on trauma-informed and child first approaches	YJA	SBNI, PSNI, PPS, NICTS, PBNI	Ongoing	Ongoing
